WAPHA Handbook is effective from 01 August 2023

WAPHA HIGH POINT HANDBOOK

This handbook has been issued as a guide for all WAPHA members to be able to keep a tally of their points and understand what awards are available this season and what criteria needs to be met.

Our show season runs 01 August to 31 July each year. The WAPHA endeavours to bring to you, our members, the best and most versatile range of competition, clinics and practice shows we can. We aim to encourage members at every level from beginners to masters.

To be in the running to receive a WAPHA End of Year High Point Award, you must be a financial member of the WAPHA and compete at a minimum of 2 WAPHA shows. **Except for the Annual High Point Working Cow Horse and Western Dressage.*

Whilst you can claim points at all WAPHA shows, the WAPHA will accept points earned from other competitions that coincides with awards on offer (refer to page 2). We feel it is important our members that are representing the Paint Horse breed are recognised.

WAPHA, WAQHA & PRAC show points are automatically included in the WAPHA End of Year High Point Awards. WAPHA have also included awards to recognise Paint/Paint Bred horses that are showcasing our breed in disciplines outside the Western Show Arena. Check out the qualifying criteria for more information.

WAPHA are extending exciting new opportunities for our members as of 1st August 2023. We have included some All Age Open and Open Hi Point Awards that all WAPHA members are eligible to receive. These additional awards are open to Paint, Paint Bred, Appaloosa, Quarter Horse and ALL Other Registered Breeds.

The WAPHA committee has the discretion to change or alter awards or eligibility criteria throughout the season. As our association continues to grow, we will introduce, and revisit awards offered.

Submitting points relating to events that are not run by the WAPHA, WAQHA or PRAC are your own responsibility, and a points/result sheet accompanied with a show program must be submitted within 14 days of the show to wapha.committee@outlook.com

Point books can be purchased from the Paint Horse Association of Australia.

PHAA approved show points are submitted to the PHAA by the WAPHA points collator on your behalf.

Please note:

1. Points are tallied on a singular point basis for 1st place and ½ point for 2nd place, irrespective of entry numbers (*If only one horse in the event, 1 point will still be awarded*).
2. If a tiebreaker is required, it will go on the number of first blue ribbons, then second if that can't be determined.
3. Halter:
 - a. Champion receives 1 point, Reserve ½ point.
 - b. Supreme will receive 1 singular point.
 - c. Futurity/Feature Halter classes are non-points scoring.
 - d. Please note that show programs offering combined Champion/Reserve of all sexes and Supreme Champion, the Supreme Champion points will not be awarded.
4. Double points are awarded for members competing at the Paint Horse State Championships held in WA, if ran by the WAPHA.
5. Awards will be presented to the winner only.
