Annual Hi-Point Awards

We are coming to the end of the show season and the points for contributing horses and riders for the annual Hi-Point awards are now being collated. This will be finalised after the last show in June.

The purpose of the Hi-Point Awards is to reward the diligence, competitive spirit and hard work our members put in to each show for their horse, and themselves. These awards are handed out at the AGM each year and attached you will see the range of categories that are in contention each year.

To fund the awards, we are looking for sponsors to nominate for different awards, as they see fit, to support the club and the members. I have attached a list of all the different categories, and it would be appreciated if you wish to sponsor a specific event, or know someone who would, to elect which award and what prize you would like to provide for each.

This may also be in the form of monetary support as well as the Categories for Overall Hi-Point Awards for Paint and Paint bred will be in the form of Buckles, and Non-Paint classes trophies or similar (last year this included beautifully engraved gilt bangles). The cost for these prestigious buckles is usually in the \$180-200 range.

I look forward to your support and please come along to the AGM, they are always great fun, and support our Award Winners.

Garry Eglinton
WAPHA President
